Case No. 11-MR-559

Amended

WARRANT TO SEIZE PROPERTY SUBJECT TO FORFEITURE

To: Any authorized law enforcement officer

An application by a federal law enforcement officer or an attorney for the government requests that certain property located in the _____ District of _____ New Mexico be seized as being subject to forfeiture to the United States of America. The property is described as follows:
\$12,550.00 in United States currency

I find that the affidavit(s) and any recorded testimony establish probable cause to seize the property.

YOU ARE COMMANDED to execute this warrant and seize the property on or before 6 SEP 11
(not to exceed 14 days)

in the daytime - 6:00 a.m. to 10:00 p.m. at any time in the day or night, as I find reasonable cause has been established.

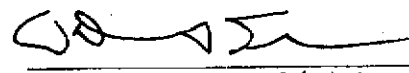

Unless delayed notice is authorized below, you must also give a copy of the warrant and a receipt for the property taken to the person from whom, or from whose premises, the property was taken, or leave the copy and receipt at the place where the property was taken.

An officer present during the execution of the warrant must prepare, as required by law, an inventory of any property seized and the officer executing the warrant must promptly return this warrant and a copy of the inventory to United States Magistrate Judge _____
(name)

I find that immediate notification may have an adverse result listed in 18 U.S.C. § 2705 (except for delay of trial), and authorize the officer executing this warrant to delay notice to the person who, or whose property, will be searched or seized (check the appropriate box) for _____ days (not to exceed 30).

until, the facts justifying, the later specific date of _____
